

2010 O'Dark Thirty Series

Addendum #1 to NOR

Boats competing in the 2010 O'Dark Series will be designated as either a "Cruiser" class vessel or a "Racer" class vessel. Skippers will be notified into which class their vessel falls, at the announced skippers meeting time and date. The categorization of Cruiser or Racer is at the discretion of the race committee. Cruiser class will start before the Racer class in accordance with the starting sequence sheet for races #1 through #6, see SI.

The finishing order of the fleet (both classes) will be posted. Finishing order for each class will be announced at approximately 2030 after each race.

Series trophies will awarded to each class on September 24, 2010
